LAW PARTNERSHIP

Our Practice Areas

Corporate and Commercial

We provide comprehensive advisory, consulting, and transactional services to multinational corporations, listed and private companies, and financial institutions. Our clients span a wide range of industries across Malaysia, the ASEAN region, and the broader Asia-Pacific, reflecting our deep regional experience, cross-border capabilities and business-minded approach to every engagement, ensuring legal risks are managed while creating long-term value.

Dispute Resolution and Arbitration

Our Dispute Resolution and Arbitration practice provides clients with strategic and effective solutions for resolving complex disputes across a wide range of industries. Whether through litigation, arbitration, or alternative dispute resolution methods, our team is committed to achieving the best possible outcomes for our clients, offering strategic solutions that resolve disputes efficiently and with minimal disruption to their business operations.

Employment and Industrial Relations

Our Employment and Industrial Relations practice supports businesses through every stage of workplace transformation — from navigating regulatory changes, managing workforce restructuring and organisational change to handling employment-related disputes. We deliver practical, strategic, and business-aligned legal solutions designed to cultivate fair, resilient, and compliant workplaces that are equipped to meet the evolving demands of today's dynamic employment landscape.

Intellectual Property

An award-winning practice, our Intellectual Property team is known for delivering strategic, business-oriented solutions across the full spectrum of IP rights to help clients safeguard and maximise the value of their intellectual assets. We advise international and local clients on the protection, enforcement, and commercialisation of trademarks, copyrights, patents, trade secrets, and designs, both in Malaysia and across the globe.

Technology, Media and Telecommunications

Our Technology, Media and Telecommunications practice delivers forward-thinking legal solutions to clients operating in fast-evolving digital and regulated environments, which includes data protection, cybersecurity, digital ecosystems, fintech, media, and telecoms. With deep sector knowledge and commercial approach, we help clients navigate legal risks, drive innovation, and stay compliant in an increasingly connected world.

White-Collar Crime and Corporate Investigations

Our White-Collar Crime and Corporate Investigations practice provides comprehensive legal counsel to help clients manage regulatory risks, build resilient compliance structures, and conduct internal investigations. We work across sectors to address corporate misconduct, fraud, bribery, and regulatory violations, with a focus on prevention and governance. With strong command of enforcement laws, we support clients on anti-bribery programs, whistleblower protocols, dawn raid readiness, and corporate crisis management with discretion and precision.

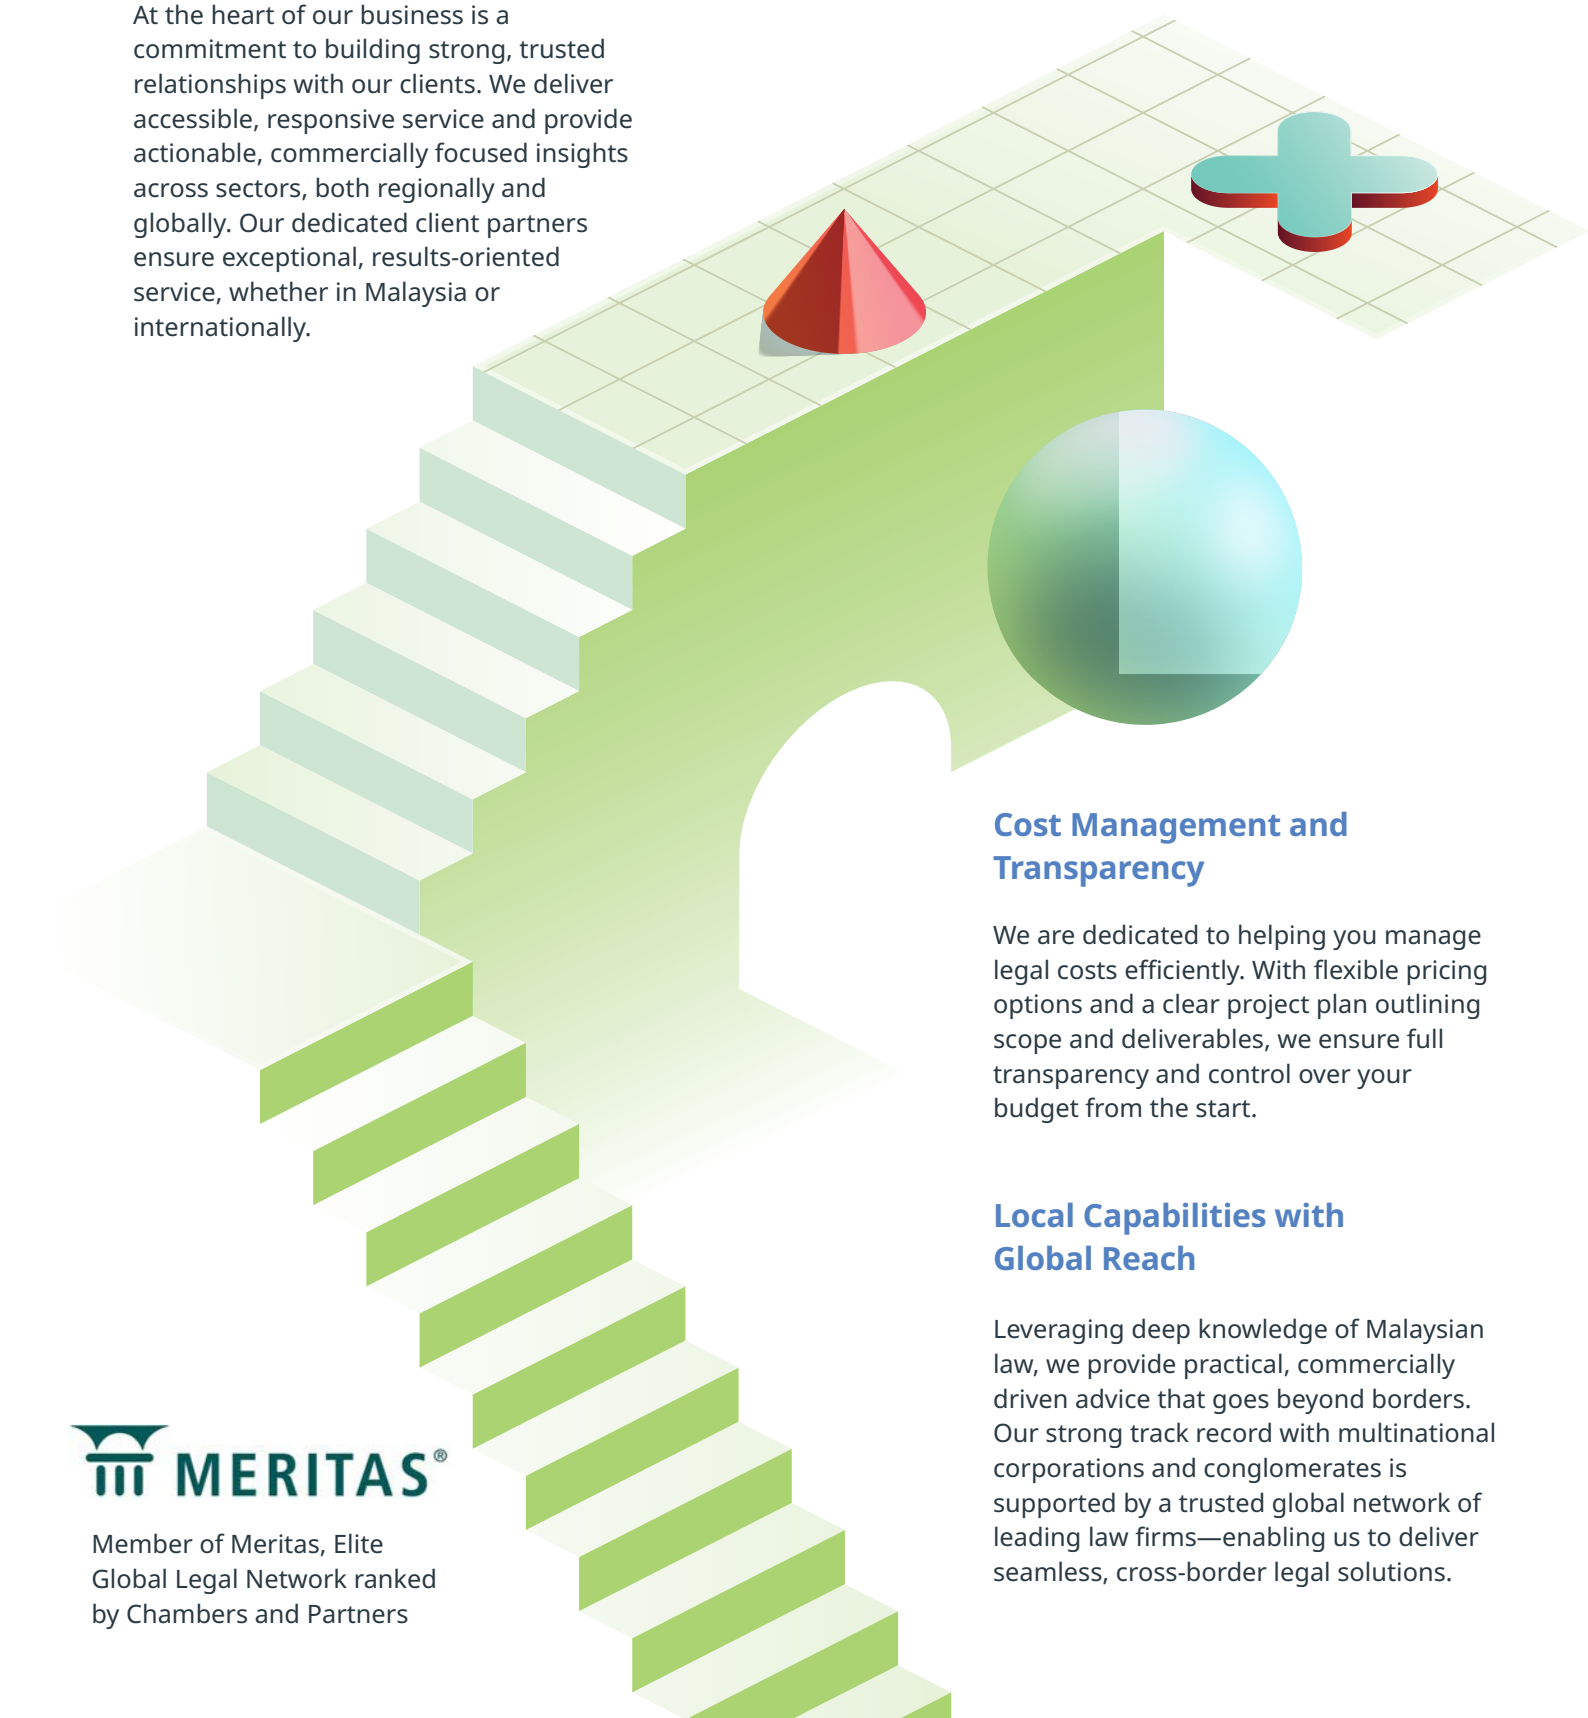

Our Values

Client-Centric Approach

At the heart of our business is a commitment to building strong, trusted relationships with our clients. We deliver accessible, responsive service and provide actionable, commercially focused insights across sectors, both regionally and globally. Our dedicated client partners ensure exceptional, results-oriented service, whether in Malaysia or internationally.

Quality and Innovation

We deliver premier legal solutions with precision and purpose. Driven by a culture of excellence and innovation, we create meaningful value for our clients by helping them navigate legal complexities, seize opportunities, and achieve success in a fast-changing world.

Cost Management and Transparency

We are dedicated to helping you manage legal costs efficiently. With flexible pricing options and a clear project plan outlining scope and deliverables, we ensure full transparency and control over your budget from the start.

Local Capabilities with Global Reach

Leveraging deep knowledge of Malaysian law, we provide practical, commercially driven advice that goes beyond borders. Our strong track record with multinational corporations and conglomerates is supported by a trusted global network of leading law firms—enabling us to deliver seamless, cross-border legal solutions.
